

GROCERY SHOPPING

How it works:

Mountain Country Cabin Rentals Concierge Services will handle your grocery shopping for you as a courtesy for you before your arrival at your vacation rental. Attached is a copy of our MCCR Grocery Shopping template. Please list all your grocery needs, preferred brands, quantities and any other helpful information so we can shop for your listed items. We will charge your card on file for the groceries shopped for after purchasing. However, in order for us to purchase beer or wine for you - by NC state law we must have money *before* purchasing.

***We will shop for your groceries at Wal-Mart in Murphy, NC.**

***We must have your grocery list at least ONE WEEK prior to your arrival**

Do you have any allergies or medical conditions that we should be aware of before purchasing your groceries and delivering to your vacation rental?
